Pedophilic & sexual tendencies

Pedophilic / age-regression / "shota":
AO3 work title : "…KARKAT'S DONKEY UNDERAGE DICK…"

/qa/ and AO3: recurring "age regressing baby/baby/kid" self-image paired with sexual "mommy" framing.
Sexual themes :
Repeated "rape / matepress / impregnate / break / own / en lave" framing of fictional characters as their "holy" "truth."
Explicit incest / pseudo-incest / "mommy-s on" and breastfeeding / mommy-kink tags and descriptions.
"Relationship ads" soliciting women to "forego identity" and roleplay as his waifus.

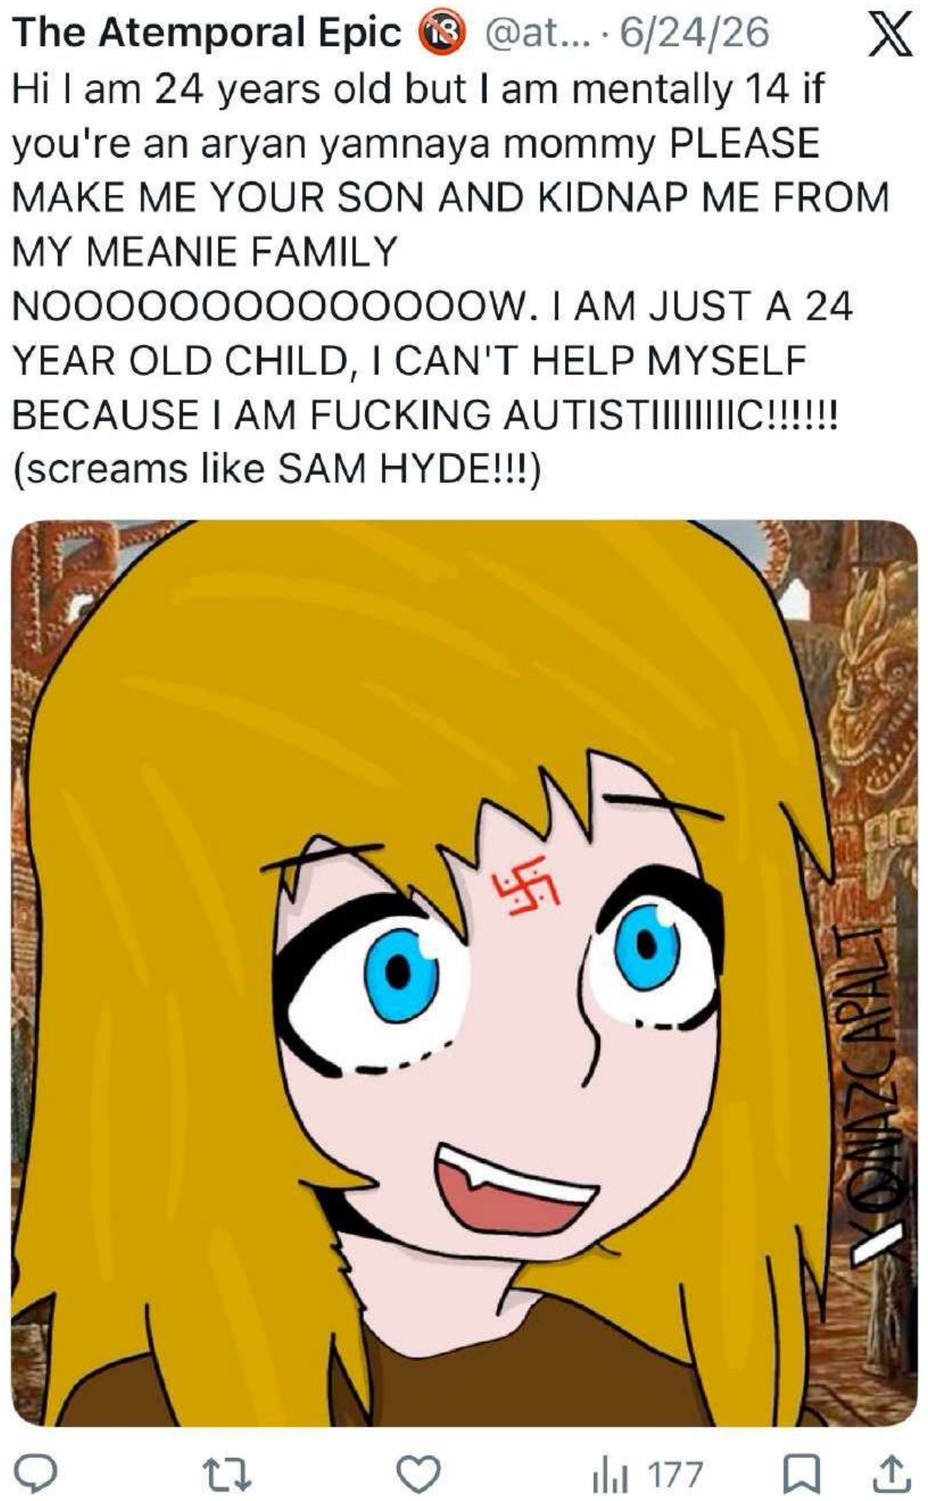
Zoophile Porn as the banner of one of his since deleted Twitter accounts, and him posting shota porn on the same account.



Examples of Him age regressing and calling himself a "shota", similarly to how he did in his ao3 writings

Saying this to porn of an underaged character

From his Facebook, just kind of strange in my opinion

More zoophilic content, this time from his Tumblr

Also from his Tumblr, notice the use of "Brat" (Pedo slang), this is also probably edited shotacon

PEDOPHILIC QUOTES FROM HIS AO3

Work 2: "MEXICAN SHOTA COCK WINS," "I AM THE ONLY SHOTA," "my condition as a shota, I hate all other shotas and futa lolis," "PEDOMOMMY," "SHOTA MOMMY / SHOTAPLAY," "PEDOWHORE," "son, your child, your kid … baby talk me … mother and son," "25 yo shota only," "shota preschool."

Work 4: "bbc shota," "mexinegro neet shota," "futa loli vriska," "25 yo shota only," "son/child/kid/baby talk/mother and son," work 4 also has AO3's "Underage Sex" warning.

ATEMPORAL/KARKAT IS A PEDOPHILE AND A GOONER, ITS NOT HARD TO TELL
