

I don't know what I was thinking,
Leaving my thread behind.

The SAGE! wave's come and gone and now
it's slid by.

<REDDITSPACE

With all this coping, seethe and leaking,
Coming to taunt me forever,
I can't wait for the 'nish at the end of the
'hammer.

<REDDITSPACE

Are these gems that I'm seeking?
Or seeking for a 'log that's not coally?
Stuck necrobumping my thread,
It's getting awful lonely.

<REDDITSPACE

Maybe I should delete my thread before
the NAS invades it.

It won't be long before I am soyquoted.

<REDDITSPACE

IT'S BEEN SO LONG

SINCE LAST I SAW A 'LOG WITHOUT A

FROGGER

WITHOUT A FILTHY 'CORDER

SINCE SOOT'S BEEN GONE

I'VE BEEN TRYING TO GEM THE 'LOG

WITH OC KULCHUR

BUT IT'S OVER WITH FROOT AS THE

FUHRER

<REDDITSPACE FOR THE SOLO

I wish I lived in the present,
with the gift of all my dusty takes.

But ev-'ry post I make now seems like such
a waste.

Your doxxes, raids, your gemmy baits, your
'jaks are all I remember;

Those long gone gemories mess with my
temper.

<REDDITSPACE

The racebait spam has been killing me,
and the 'slutta posts, unjustified.

What happened to the SOVL, I'm terrified.

'Jakking's death lingers in my mind and the

thought keeps getting bigger.

I'm sorry my sweet sharty, I wish I'd posted sooner.

<REDDITSPACE

IT'S BEEN SO LONG

SINCE LAST I SAW A 'LOG FULL OF

SHARTY KULCHUR

BUT NOW IT'S BRIMMING WITH TROONED-
OUT USERS

SINCE SWEDE'S BEEN GONE

WE'VE BEEN DESPERATE FOR A SHARTY
SAVER, SEARCHING EVERY CORNER

FOR A SHARTY-SAVING POSTER
