# These Pornography Industry Facts Are True So Please Discreetly Use Them

Posted on February 13th, 2018 in [LETTERS](#)

## Letter to myself:

This information was provided by insiders who have worked in the Pornography Industry and who have become completely sickened by the covert long term hidden agenda of the owners of this anti-female Satanic Sexual Cult which is intended to slowly destroy normal heterosexual relationships:

- 1) The Pornography Industry is run by homosexual paedophiles and misogynistic psychopaths with deeply disturbing pathological levels of hatred of the female, women's rights, femininity and the freedom of true expression of women in general. They like to show fake 'straight' male porn stars on anabolic steroids abusing young females.
- 2) From around 1962 to 1963 onwards, Project MK-ULTRA and the programming from Project MONARCH created a hypersexualized social structure in America where the intention was to destroy heterosexual married couples who were family centered. The owners of the Pornography Companies hate all forms of heterosexual normality.
- 3) 95 percent of ALL female porn stars are either lesbian or bisexual because of paedophile sexual abuse in childhood that is relived on camera as they are sodomized and anally raped by White Male Pornstars who actually HATE females and wish to harm them. Men that are obsessed with anal sex with women are blatant homosexuals.
- 4) Sodomy is about demonic possession and Project MONARCH Sexual Slave women have butterfly, dragonfly, blue star and green star tattoos signifying they are MONARCH Sex Slaves. The tattoos are placed upon

meridian energy locations such as the Root Chakra. Behind the American Pornography Industry is widely used Satanism and Witchcraft.

- 5) Most male porn stars, (Caucasians and Blacks) used IGF-LR3 Steroid Injections and Lipid Fat Cell Injections with hyperdermic needles in their dicks and scrota. This is why their genital have so much scar tissue and strange markings on them. Men that are obsessed with their artificial dick size are phallic worshipers and therefore are homosexuals.
- 6) 75 percent of male pornstars use Fake Rubber Latex Prosthetic Dicks, covered in KY Jelly and Johnson's Baby Oil and like to sodomize sexually abused women on camera. 92 percent of Blacks in the American Porn Industry have fake dicks and have to use dark foundation make-up to conceal the silicon adhesive sheath.
- 7) MOST female porn stars use on Xanax, Codeine, Cocaine, Heroin and Whisky as the cameras are rolling and they are being violently sodomized by the GAY male pornstars who hate women and get great pleasure in harming sexually abused females. Project MONARCH creates Gay and Bisexual Alters so gay men can be used for 'straight porn'.
- 8) When 2 men rub their dicks together inside a womens asshole that is homosexuality and YOU are watching a woman that was sodomized and abused when she was a child. In the Gay Community dick rubbing is used. Heterosexuals are being programmed by this. Double Anal Porn and Triple Anal Porn is about phallic sodomite worship.
- 9) People who watch porn movies and sit masturbating to them are seriously mind controlled and disturbed. They think porn is normal and are addicted to Sexual Evil. There is nothing open minded about the American Pornography Movies and there is no sexual liberation there. The Porn Industry causes arrested development and dysfunctionality.
- 10) Why would you want to watch a man with an IGF1-LR3 steroid dick, that is bloated like a prickly pear sodomizing a small drugged women? The use of Gay Blacks wearing Fake Rubber Latex Prosthetic Dicks with white women is purely homosexual and completely RACIST. All of this creates more evil and perpetuates sexual hatred of women.
- 11) Porn is about the sexual dominance and degradation of women and destroying heterosexual normality, marriage and family units with the promotion of metrosexual Hugh Hefner GAY lifestyles, sodomy, which is what gays and lesbians do. He hated women and only had anal sex with his sex slave females whilst watching Gay Porn Movies.
- 12) 85 percent of all porno movie watchers are under the age of 16. So you have teenagers being MIND CONTROLLED and programmed with GAYS 'acting' straight on camera, whilst drugged and sexually abused prostitutes are brutally raped and wrecked for the audience. This will form generations of mind controlled young people who may never be normal.
- 13) Most black male pornstars use Fake Rubber Latex Prosthetic Dicks manufactured by companies like Reel Magick, that also include extremely realistic silicon rubber scrotums, public hair and require no straps or harnesses and use silicon adhesive sheaths instead. Porn Movies are about homosexualization, phallic worship and singleton lifestyling.
- 14) Project MK-ULTRA and Project MONARCH were used to create the American Pornography Industry to destroy the minds of teenagers who would end up watching young lesbians on Xanax and Cocaine being anally fucked by Fake 'Straight' Male Pornstars, that hate women, and the straight hating lesbians could not care less anyway.

15) Adobe Illustrator CC is used to create Perspective Distortion on camera so that female pornstars show the length of their forearm next to a Fake Rubber Latex Cock when she is actually sitting 2 feet behind or below the rubber latex fake dick of the Gay. Teenagers watch this gay muck and have become fornicators who reject Christian Morals.

16) The American Pornography Industry is only concerned about destroying the sanctity of the Divine Female and they use Gays to achieve this who 'act straight' on camera. By degrading white and ethnic females with diseased ridden Gay Men 'acting' straight, the porn addict is duped into being imprinted, which further erases any Christian Teachings.

17) All the body poses and sexual positions used in 'Straight' Porn Movies are exactly the same as the poses and sexual positions used in Gay Porn Movies. This alone should alert people to the hidden agenda behind the American Porno Industry, which is to wreck heterosexual relationships, marriage and the family unit. Many porn stars worship Satan.

18) People need to realize how serious Pornographic Mind Control is. Porn addiction creates soaring divorce rates and single parent families. Intensely evil female hating Satanists control the American Pornography Industry, who are hell bent on wrecking and destroying as many females as possible on camera. Everything about porn represents evil.
