## CHUD: ARYAN HEAVEN

### Episode 1 — Beginning

---

#### 1.

An epic battle is shown — a man like a Conan-style barbarian wearing glasses brutally slaughters various monsters.

A hard cut — it turns out this is **Chud lost in his imagination**.

He is interrupted by the angry voice of his dissatisfied schoolteacher (**MR. L**), scolding Chud for not paying attention.

**MR. L:**

“CHUD! What is that flag?”

He points at some kind of LGBT flag with an axe on it.

**Chud:**

“Vikings.”

The teacher doesn't press further and simply dismisses the class as the lesson ends.

**MR. L:**

“Just do your homework, Max.”

---

#### 2.

Chud walks into the school cafeteria.

The interior of a “woke” liberal school is shown.

In the cafeteria he meets **Nate**. Nate doesn't study here — he's on homeschooling and just decided to visit the protagonist.

Chud pulls a **rope tied into a hanging noose** out of his backpack.

**Chud:**

“Check this out. I can't wait to see HIS face when HE sees this, geg.”

**Nate:**

“Dude, he'll ack himself right on the spot. Let me see that.”

The guys notice **Luna** — one of Chud's transgender (male-to-female) classmates.

They get Luna's attention, then pull out the noose and start making faces, gestures, mocking poses, laughing.

Luna explodes in rage and throws a tray at them (or something else).

They dodge it, but Nate gets hit and ends up covered in food.

---

#### 3.

A residential neighborhood near Chud's school.

Chud and Nate are walking.

Chud walks straight down the path, while Nate moves off to the side, up on higher ground.

**Nate:**

“SoyTanya texted me — she got back from the resort a couple days ago. Let's drop by her place.”

**Chud:**

“Lucky parents.

Though honestly, even if I could fly around countries, I’d still stay home. Why not?”

Suddenly, a group of hostile people appears in front of them — Luna’s friends. All of them are carbon copies: soy types, trans people, feminists.

**One of them:**

“You fucking little hate-filled Nazi transphobe.

Nobody gets to mess with minorities.

And you know what we do to fascists?

We punch them.”

**Chud:**

“And why can’t HE hit me himself?

Did he really have to ask his groomers for help?”

*Chud gets punched in the stomach.*

**Chud:**

“Ughhh!

Damn, you really punch like a man! Haha...”

**Chud:**

“Hey! Look!

Behind you — an unmolested child!”

---

4.

**One of the group:**

“Yeah right, nice try.

Now get ready to be canceled. Forever, you hateful little—”

*Nate throws something heavy at their heads.*

**Nate:**

“Run!”

The heroes break away from the chase.

Chud runs across someone’s lawn with an angry dog.

Panel: Chud running.

In front of him — a waist-high fence.

Behind it — an aggressive dog and several furious trans people.

Next panel — Chud jumping over the fence, mid-motion, one hand pushing off the fence.

Next panel — Chud is already standing ten meters away from the fence, confused.

Behind him, the exhausted trans people are being attacked by the dog.

*(Hint at the emergence of superpowers.)*

---

5.

*Nate and Chud reunite after the chase.*

**Chud:**

“That was close, man. You saved my ass.”

**Nate:**

“Yeah... I’m completely out of breath.”

**Chud:**

“Next time we need to be ready to meet them.”

**Nate:**

“Oh, I know just the thing — pepper spray.

People used it for self-defense.

They banned it twenty years ago.

I think I can make something similar at home.”

**Chud:**

“Yeah, yeah, I’ve heard about that.

At school they said:

‘Self-defense isn’t needed anymore — we’re all equal and live in peace.’

And ‘self-defense is used too often against minorities, so if you have self-defense tools, you’re a racist and a bigot.’

That’s why they banned it.”

**Nate:**

“Man, they really shove some bullshit into your heads there.”

---

**6.**

*A couple hours later.*

Chud comes home. Late evening.

**Chud:**

“I’m home...”

**Eva (Chud’s mom)** (*typing on her laptop, buried in work papers*):

“Your school counselor called.

Again — bad grades.

Also that you caused a nightmare in the cafeteria.

And that you brought a noose to school.

Max, this is awful.”

**Chud:**

“I didn’t mean to.

Besides, you’d act the same way if you were me.”

**Mom:**

“Maybe I would have. Back then. In my time.

But times are different now, Max.

Try to cause fewer problems at school.

I’m not sleeping because of your stunts.

Your father was the same way... before he disappeared.”

**Chud (pause):**

“He disappeared?

Or did you kick him out?”

**Eva** (*looks at him for the first time*):

“He went on an expedition to the Arctic.

And never came back.

Sometimes people just... leave.  
And you're the one who stays.  
And you could disappear too, if you don't get your act together.  
Tomorrow you're going to the school psychologist and you're apologizing. No options."

**Chud:**

"Yeah, yeah.  
I hate this damn place.  
Don't worry, Mom — I'll behave so I don't get expelled."

**Mom:**

"Good, sweetheart.  
Food's in the fridge. Go eat dinner."

---

7.

*Chud lies in bed.*

*On his desk — a computer turned on.*

*On the screen — anonymous imageboards, pictures of soy-woah-jaks and chud gemmies.*

**Chud (thinking):**

"This is unbearable.  
It's all over — and it's only the beginning.  
After school comes college, then work, then more work... nonexistence.  
I'll never fit into this society.  
It hates me.

All that's left is to spend my whole life being a fucking hated goy."

The wall of the room begins to glow, as if a portal is opening.

**Chud (shocked):**

"What the...?"

*A voice from the portal.*

*(A bright face, glowing blue eyes, mustache.)*

**Voice:**

"Son... at last... we... have met..."

**Chud (confused):**

"Mom never told me this about my father..."

**Voice from the portal (clearer now):**

"Yes... the Arctic expedition... we made contact..."

We will meet again... there's little time now..."

*The voice becomes fully visible — head and body.*

*It is Adolf Hitler from another universe.*

**Vater:**

"... people call me Vater.  
I am not from this world.  
The embodiment of Aryan essence...  
Your time has come, my son...  
The awakening within you..."

**Chud (in shock):**

“You... you’re real?

So everything I read about the greatness of the Aryan race... it’s true?”

**Vater:**

“Maybe... Use the power wisely...

Create... an Aryan... Heaven...

These pills... will enlighten the worthy...”

**Vater:**

“There is little time... we will meet again...

Build the world they deserve...

Aryan... Heaven...”

*The portal closes.*

Chud, completely stunned, rubs his eyes, silently lies back down in bed, eyes stares at the ceiling.
